

The First Annual ANSER-ARES CONFERENCE

University of British Columbia

June 4-6, 2008

The Association for Nonprofit and Social Economy Research (ANSER) is a new Canadian association for those who have an interest in research that pertains broadly to nonprofit organizations and the social economy. ANSER is working to

- build a collaborative community of scholars and researchers; and
- to develop a Canadian body of knowledge that encompasses such fields as community economic development, philanthropy, nonprofit management, volunteering, social and environmental accounting, government/voluntary sector relationships, social movements, citizen engagement, and civil society.

L'Association de recherche des organismes sans but lucrative et de l'économie sociale (ARES) est une nouvelle association canadienne destinée aux personnes qui s'intéressent à la recherche sur les organismes sans but lucratif et l'économie sociale au sens large. L'ARES poursuit les objectifs suivants:

- créer et faire collaborer une communauté d'érudits et de chercheurs;
- créer un ensemble de connaissances canadiennes englobant des domaines tels que le développement économique communautaire, la philanthropie, la gestion des organismes sans but lucratif, le bénévolat, la comptabilité sociale et environnementale, les relations entre les gouvernements et le secteur bénévole et communautaire, les mouvements sociaux, la participation des citoyens et la société civile.
